PROFESSIONAL EXPERIENCE

Frontend Developer

Remote | Upwork | Oct. 2024 - Present

As a Top Rated freelance developer with a 100% job success rate and outstanding reviews, I specialize in creating dynamic and user-friendly websites and applications. I deliver tailored solutions that drive results and consistently exceed client expectations.

Supervision of Flows

Casablanca-Settat, Maroc | APP | Sep. 2023 - Mar-2024

At Attijari Payment Processing, I monitored and managed payment flows, ensured accuracy, and promptly resolved any issues. I collaborated with the operations team to maintain compliance and efficiency in all financial processes.

Full-stack Developer (React js | Java)

Casablanca-Settat, Maroc | M2M | Jan. 2023 - Jul-2023

Implementing a robust system for managing prepaid cards, tailored for corporate and individual bank clients. Addresses system issues and meets specific banking requirements.
